

Our Company at a Glance

IMICO Is a renowned name in the PET Plastic industry. We have been manufacturing quality PET Preforms and Bottles for more than a decade. We are manufacturing PET preforms using Husky Injection Molding Systems. Husky has a global share of more than 60% when it comes to the PET Processing systems and that is due to its highly efficient machines and production that is worth the value. Therefore, we leave no stones unturned when it comes to manufacturing the highest quality of preforms

Introduction

Vision

- We envision ourselves to become one of the largest manufacturers of PET products within this decade.
- Have the most state-of-the-art Research & Development Department
- To be rated as the most environmentally friendly manufacturer
- To attain the level of quality mark that no other manufacturer can match

Mission

- Providing quality that surpasses the level of all other manufacturers
- Making sure that the Quantity available is in-line with our commitments
